It is the SNC tracking one. Should look like this. Feel free to play around with it and let me know if you have more questions

Hey Michael,

This may be a silly question, but which shared spreadsheet are you referring to?

Is it the one on the PG Environmental Share Point site titled "California NPDES Permit Status Tracking Report"?
Or the one on the CA OneDrive titled "SNC Tracking Sheet – CA"?
Or a different spreadsheet?

Thanks for clarifying! I'm just starting on this QNCR stuff, so I want to make sure I'm looking at the right thing for Tuesday's call.

Happy Friday,
Jamie Johnson
